Schools are required to report ethnicity and race to the state and to the U.S. Department of Education. Because of recent changes to Minnesota state law, Minnesota disaggregates each category into detailed groups to further represent our student populations. Parents or guardians are not required to answer the federal questions (**in bold**) for their children. If you choose not to answer the federal questions (**in bold**), federal law requires schools to choose for you. This is a last resort—we prefer if parents or guardians complete the form. State questions are labeled as “Optional” and schools will not fill in this information for you.

This information helps improve teaching and learning for everyone and helps us accurately identify and advocate for students currently underserved. The information this form collects is considered private information. You can review the privacy notice to learn more about the purpose of collecting this information, how it will be used and not used, and how the detailed groups were identified. The privacy notice can be found in our [Frequently Asked Questions: Ethnic and Racial Designation Form](#).

Policy for Acceptable Use of Technology Resources and the Internet

The Policy for Acceptable Use of Technology Resources and the Internet (the “Policy”) establishes guidelines for the use of the Fond du Lac Education Division (the “Division”) technology resources by staff, students, and other authorized users. The Policy further prescribes appropriate uses of Division technology resources and networks to access the Internet.

Technology resources include, but are limited to, all voice, video, and data systems such as telephones, televisions, SMART boards, laptops, computers, networks, internet appliances, and supplies. As a learning tool, a technology resource is similar to a book, video, magazine or any other information source.

The Internet offers access to an immense repository of information, communication platforms, and multiple services which facilitate global connectivity and collaboration which is of incredible educational value. The skills required for its use are vital to the productivity and citizenship of individuals in a democracy, higher education, and the work force.

The Division has no control over the content of the Internet and making the Internet available carries some risk. Students and other users may encounter information that is controversial, offensive, or even harmful. Student proficiency in recognizing and evaluating internet content can reduce risk to the student and to Division technology resources.

The Division will actively focus on equipping users with the skills necessary to responsibly and safely utilize the Internet and Division technology resources consistent with their educational needs. Accessing the Internet through Division resources is a privilege, not a right. Any improper or unauthorized use may lead to disciplinary action, including but not limited to the revocation of Internet privileges and limitations on access to Division technology resources.

- (4) educate minors about appropriate online behavior, including interacting with other individuals on social networking websites, and in chat rooms, and cyberbullying awareness and response; and
- (5) comply with the Children's Internet Protection Act [Pub. L. No. 106-554 and 47 USC 254(h)].

B. Other Policies

This Internet Safety Policy supplements the Fond du Lac Ojibwe Policy for Acceptable Use of Technology Resources and the Internet and the Fond du Lac Band of Lake Superior Chippewa Employee Computer Use Policy.

C. Definitions

Key terms are as defined in the Children's Internet Protection Act.

TECHNOLOGY PROTECTION MEASURE. The term "technology protection measure" means a specific technology that blocks or filters Internet access to

visual depictions that are:

- (1) OBSCENE, as that term is used in section 1460 of title 18, United States Code;
- (2) CHILD PORNOGRAPHY, as that term is defined in section 2256 of title 18, United States Code; or
- (3) HARMFUL TO MINORS. The term “harmful to minors” means any picture, image, graphic image file, or other visual depiction that:
 - a. Taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion;
 - b. Depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and
 - c. Taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.
- (4) SEXUAL ACT; SEXUAL CONTACT. The terms “sexual act” and “sexual contact” have the meanings given such terms in section 2246 of title 18, United States Code.

D. Access to Inappropriate Material

To the extent practical, technology protection measures (or “Internet filters”) shall be used to block or filter the Internet. Specifically, as required by the Children’s Internet Protection Act, blocking shall be applied to visual depictions that are deemed obscene, child pornography, or harmful to minors.

Subject to staff supervision, technology protection measures may be disabled or, in the case of minors, minimized only for bona fide research or other lawful purposes.

E. Inappropriate Network Usage

To the extent practical, steps shall be taken to promote the safety and security of users of the Fond du Lac Ojibwe School’s online computer network when using electronic mail blogs, instant messaging student assigned email, Google chat rooms, and other forms of direct electronic communications.

Specifically, as required by the Children’s Internet Protection Act, prevention of inappropriate network usage includes:

- (1) unauthorized access, including so-called ‘hacking,’ and other unlawful activities; and
- (2) unauthorized disclosure, use, and dissemination of personal identification information regarding minors.

F. Supervision and Monitoring

It shall be the responsibility of all members of the Fond du Lac Ojibwe School’s staff to supervise and monitor usage of the online computer network and access to the Internet in accordance with this policy and the Children’s Internet Protection Act.

Procedures for the disabling or otherwise modifying any technology protection measures shall be the responsibility of the Fond du Lac Band IT Division or designated representatives.

Internet Agreement

The Fond du Lac Education Division believes that the benefits of the Internet to educators and students far exceed disadvantages. Ultimately, parents and guardians of minors are responsible for establishing and enforcing the standards that their child should follow. The Fond du Lac Education Division supports and respects each family's right to decide whether their child may have access to this resource. Fond Du Lac Ojibwe School

Dear Parent/Guardian:

Our school offers healthy meals each day. All students can get one breakfast and one lunch free of charge each day at school. Although no application is required to receive this free meal benefit, filling out the Application for Educational Benefits is still important! Your child(ren) may qualify for other benefits like reduced fees at school. Your application may also help the school qualify for education funds, discounts, and other meal programs.

To apply, complete the enclosed Application for Educational Benefits and return it to:

**Fond du Lac Ojibwe School
49 University Rd.
Cloquet, MN. 55720**

Who should complete this application? Children in households participating in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPIR), and foster, homeless, migrant and runaway children qualify without reporting household income. Alternatively, children can qualify if their household income is within the maximum income shown for their household size on the instructions.

COMMON QUESTIONS:

I get WIC or Medical Assistance. Can my children qualify? Children in households participating in WIC or Medical Assistance do not automatically qualify. Children may be eligible depending on other household financial information. Please fill out an application.

Who should I include as household members? Include yourself and all other people living in the household, related or not (such as grandparents, other relatives, or friends).

May I apply if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens for you to complete an application.

What if my income is not always the same? List the amount that you normally get. If you normally get overtime, include it, but not if you get overtime only sometimes. For seasonal work, write in the total annual income.

Will the income information or case number I give be checked? It may be. We may also ask you to send written proof.

How will the information be kept? Information you provide on the form, and your child's approval, will be protected as private data. For more information, see the back page of the Application for Educational Benefits.

If I don't qualify now, may I apply later? Yes. Please complete an application at any time if your income goes down, your household size goes up, or you start getting SNAP, MFIP or FDPIR benefits.

If you have other questions or need help, call {218-878-7203}.

Sincerely,

Nikki L. Harris

SNAP Recorder
